

The following information is provided pursuant to Art. 13 of the EU Regulations 2016/679 and to Art. 13 of Legislative Decree No. 196/2003 "Personal Data Protection Code" in relation to the processing of your personal data by means of car plate reading systems installed at the entrance and at the exit of the PisaMover Transport Service car parks.

Purpose of the processing

The vehicle plate is recorded by the CCTV system at the entrance and exit both for organizational purposes and to confirm that the vehicle is covered by an active Pisamover subscription service (for the shuttle and the car park). The provision of such information is necessary for the operation of the system; therefore, refusing to provide such data results in the impossibility to enjoy the car parking service. The legal base of the personal data processing is the contract that the user has entered into or the execution of pre-contractual measures.

Processing procedure

With regard to the aforesaid purposes, personal data are processed by computer and electronic equipment with logics aimed at ensuring the safety and confidentiality of the information. In the course of the processing operations, the aforesaid data may be learned by the data processors – appointed for the purpose – assigned to the management of the PisaMover service. The data shall be kept for the time strictly necessary to fulfill the aforesaid purposes.

Storage Time

The data will be collected and stored for the period of time necessary for the pursuit of the purposes indicated above and, in any case, not beyond the deadlines set by specific legal obligations.

Personal data recipients

The data shall be processed by the Company PARKEON S.p.A., Via Ripamonti, 89, 20139 Milan, which provides the car park management hardware and software. Notwithstanding any information provided to the police and the Judicial Authority upon specific request, personal data may also be processed by third parties that provide instrumental services such as, for instance, technical or IT services. The aforesaid subjects shall be given solely the data strictly necessary to carry out their duties. The updated list of all recipients can be found at the office of the Data Controller and is supplied upon request by the concerned party by writing to the following e-mail address: privacy@pisa-mover.com

Rights of the users

We also inform that, with regard to said data, the concerned party may exercise at any time the rights set in Chapter III of the aforementioned Regulations. Specifically, the user has the right to ask the Controller access to the data, their cancellation, and the limitation of the processing; to lodge a claim with the Data Protection Authority, as well as to exercise the other rights granted by the applicable rules.

These rights can be exercised by writing to the Data Protection Officer (DPO) of Pisamover S.p.A., by e-mail to the privacy@pisa-mover.com or by ordinary mail at the address indicated above.

Data Controller and Data Protection Officer

The Data Controller of said personal data is PisaMover S.p.A., with registered office in Via delle Colombaie snc, 56121 Pisa.

The Data Protection Officer (DPO) can be contacted by email at privacy@pisa-mover.com or by ordinary mail at the address indicated above.
